Bukit Tinggi

Nestled amidst a century-old Malaysian tropical rainforest and located only a 90-minute drive from Kuala Lumpur International Airport, The Chateau is the world's first organic spa and wellness resort. Offering a complete organic experience, this breathtaking destination spa and resort offers impeccable service coupled with unsurpassed standards. The Chateau boasts 200 elegant rooms and suites, each one is luxuriously appointed. A team of epicurean specialists create delicious gastronomic organic as well as non-organic cuisine with a mind to well-being.

La Sante is The Chateau's European-inspired state-of-the-art organic spa which is focussed on an individual's well being. Combining the best of European spa expertise with Eastern hospitality, well-trained spa personnel deliver tailor-made and individualised therapies and programmes which include stress relief, weight loss, beauty & body pampering.
