The Chateau
Spa & Organic Wellness Resort

Rising majestically amidst a lush rainforest in Malaysia, The Chateau is the world's first organic spa and wellness resort, modelled after a 12th century 'Haut Koenigsbourg' castle in Alsace, France. Boasting 128 elegant rooms and suites, each one is tastefully appointed and fitted with luxurious organic bed and bath linens and room amenities. The award-winning L'assiette fine dining French restaurant prides itself in providing its guests with a mouth-watering organic and non-organic gastronomical cuisine which will excite even the sharpest of palates. La Sante, the jewel in The Chateau's crown, is the first destination spa in Asia that ingeniously blends European spa expertise with renowned Asian hospitality. The Chateau offers a complete organic experience and advocates a lifestyle approach to personal wellness in a non-regimented way. The Chateau is not only a retreat that embraces holistic ideas and relaxing principles but one that defines the eminent journey towards wellness.
