THE CHATEAU SPA & ORGANIC WELLNESS RESORT

A 45-minute drive from Kuala Lumpur, amidst a Malaysian tropical rainforest, you'll find **The Chateau**—the world's very first organic spa and wellness retreat. Inspired by the 18th century "Haut Koenigsbourg" castle in Alsace, France, The Chateau reigns majestically over Berjaya Hills, an oasis of lush, unspoiled greenery. At once breathtaking and picturesque, this unique destination spa offers a complete organic experience, coupling impeccable service with unsurpassed standards. Each of the 131 elegant rooms and suites is luxuriously appointed with organic bed and bath linens, as well as organic toiletries. A team of epicurean specialists creates delicious gastronomic fare with a mind to well-being. Central to The Chateau's offerings is **La Santé**, the resort's European-style, state-of-the-art organic spa, where the best European spa expertise marries graceful Eastern hospitality. With a mission to incorporate fitness into everyday life, the resort inspires and equips guests to embark on a journey toward total well-being.
