The Seven Star Global Luxury Award, the award for the pinnacle in hospitality and lifestyle, will take place in Malaysia in June 2014 in one of the most exclusive properties in the world.

We are, of course, referring to The Chateau Spa & Organic Wellness Resort.

The Chateau is the world's first organic spa and wellness resort. Inspired by the 12th century, Haut Koenigsbourg castle in Alsace, France the Chateau offers guests a complete organic experience as well as impeccable service and unsurpassed hospitality standards. The Chateau's own Spa, La Santé Organic Wellness Spa, sets a new benchmark

for a destination spa which blends the best of European spa expertise with renowned Asian hospitality.

The Chateau Spa & Organic Wellness Resort sits majestically on Berjaya Hills amidst a lush tropical rainforest. Located on 34,000 sq meters of unspoilt land and 3,000 feet above sea level, it is a magnificent spa resort offering the ultimate in health and wellbeing enrichment.

This incredible Wellness Resort is not only the perfect site for a wellness retreat.

The Chateau comfortably caters to business travellers also and its immaculate facilities are able to host a great variety of events in the most luxurious of settings.

The Chateau Spa & Organic Wellness

Resort is the perfect site for a wellness retreat and despite being located at an altitude of 3000 feet, it is only a 45 minute drive from the Kuala Lumpur City Centre, and 90 minutes' drive from the Kuala Lumpur International Airport. Khalil El-Mouelhy-President/Founder of the Seven Star Global Luxury Award says:

"The Chateau Spa & Organic Wellness Resort is the perfect choice and location for the 2014 Seven Star Global Luxury Award Gala ceremony.
