## Love at the Chateau

*The wedding of Yip Keng Choong and Luo Meilan brings the magical wonders of a fairy-tale to life*

**A**MIDST THE beautiful scenery of the Chateau Spa and Organic Wellness Resort, in Berjaya Hills, Yip Keng Choong and Luo Meilan tied the knot in an intimate ceremony with loved ones in attendance. The couple met through mutual friends during a gathering in Melbourne. Blossoming into a beautiful friendship, they got through the trials of their long distance relationship, and it wasn't long before Keng Choong made it official by putting a ring on

Meilan's finger. The force behind the Chateau, Puan Sri Esther Tai's artistic touch was enhanced with additional decorations of balloons and flowers, making it the perfect setting for an outdoor wedding. The groom was seen with a big smile on his face as his bride, looking gorgeous in her wedding gown, walked down the aisle with her father during the solemnisation ceremony, in a fairy-tale themed wedding with a touch of Chinese tradition. Having first met at a karaoke, Keng Choong and Meilan will undoubtedly continue to sing many more duets together.

## HAPPY FOREVERMORE

Guests proceeded to the dinner reception after the solemnisation ceremony where they ate, drank and celebrated the beautiful newlywed couple. As night approached and skies darkened, the Chateau Spa & Organic Wellness Resort's lights and decorations lit up, creating a magical atmosphere as Keng Choong and Meilan shared their first dance together, with guests watching in true admiration and awe. After a quick outfit change, they released lanterns into the sky together before a burst of confetti signalled the beginning of the party where guests danced the night away.
